

ASU WRAP UP SESSION

May 25, 2023

A few items before we begin...

INTRODUCTION

AGENDA

- FAQs from Filer training sessions
- Resources and training materials
- Support
- Questions

FAQ'S FROM FILER TRAINING SESSIONS

- How do I make filings during cutover?
 - Refer to the CSA blanket orders for information

- What filings do I make on SEDAR+?
 - National Instrument 13-103 System for Electronic Data Analysis and Retrieval+ (SEDAR+)
 - Reports of exempt distribution filings currently submitted on the BCSC eServices system and the OSC portal will be submitted on SEDAR+
 - Filings pertaining to issuers are part of Phase I of SEDAR+
 - Filings pertaining to insiders and registrants will be added to SEDAR+ in future phases

FAQ'S FROM FILER TRAINING SESSIONS

- What if my filer was not successfully onboarded?
 - Watch the video: [Request Initial Access to SEDAR+](#)
 - Complete the required [legal agreements](#)
 - [Register for a SEDAR+ account](#) using the online forms once SEDAR+ is live
- Please note the SEDAR+ legal agreements have been updated to meet requirements under Quebec's Bill 96, an Act representing French, the official and common language of Quebec
- **These updated documents must be used for all legal agreements dated and signed on or after June 1, 2023**

FAQ'S FROM FILER TRAINING SESSIONS

■ Late Fees

- For late fee calculation purposes, the date and time a filing is made on SEDAR+ is based on Eastern Time (ET)
- If a filing is made anytime between 00:00 ET and 23:59 ET, it will be considered filed on that day
 - For example, a reporting issuer in BC has until 8:59 pm PT for filings due that day, which is 11:59 pm (23:59) ET
 - A reporting issuer in Newfoundland has until 1:29 am local time which is 11:59 pm (23:59) ET
- Timeframe used for filing review periods on SEDAR+: Timeframe for fee calculations

FAQS FROM FILER TRAINING SESSIONS

- Creating user accounts
- If you participated in onboarding, your designated Authorized Super User (ASU) will receive emails over the cutover weekend with their new SEDAR+ login credentials. Once SEDAR+ is launched, they can create additional ASUs and AUs (authorized user). The [User Role planning tool](#) is workbook for you to identify and map users to their role/ security groups. This will help you gather the information you need in advance of creating these user accounts in SEDAR+.
- List of required information for SEDAR+ filer account creation:
 - Language of preference (English or French)
 - Last name, First name, Secondary name (optional)
 - Business address (if different from organization)
 - Telephone number
 - Name of company/legal name of employer (if different from organization)
 - Title
 - Email address

RESOURCES AND TRAINING MATERIALS

ASU RESOURCES AND TRAINING MATERIALS

- Learning Centre
- Help Centre
- Checklists and preparedness
- Experience Guide
- User roles workbook
- Training workbook

LEARNING CENTRE

SEDAR+ Learning Centre

- On-demand videos
- 24/7 access
- Searchable by user type, topic and/or keywords

The screenshot displays the SEDAR+ Learning Centre homepage. At the top, the SEDAR+ logo and 'Learning Centre' text are on the left, while navigation links for 'Course Catalogue', 'SEDAR+', 'Help Centre', and 'Français' are on the right. A large blue banner features the heading 'Get to know SEDAR+' and a welcome message. Below this, a grid of four main sections is visible: 'SEDAR+ Quickstart', 'Transition Resources', 'Course Catalogue', and a fourth section with a person working on a laptop. The 'Public Search' section is prominent, with filters for 'Are you a filing agent?', 'Are you filing for a company?', 'Are you doing a third party filing?', and 'Are you filing for an Investment Fund Group or Investment Fund?'. Below these filters are four cards: 'Update User Accounts', 'Third Party Filer and Company Profiles', 'Company Profile', and 'Create a Filing'. The 'EVENTS' section follows, with a heading 'Test our learning events section by registering for a mock event.' and three event cards: 'Introduction to SEDAR+', 'One-on-One SEDAR+ Training', and 'Introduction to SEDAR+'. The footer contains links for 'About SEDAR+', 'Contact Us', 'Glossary', 'Browser Compatibility', 'Accessibility', 'Privacy Statement', and 'Terms of Use', along with social media icons and a copyright notice for Canadian Securities Administrators, 2022.

SEDAR+ Help Centre

- Accessible through SEDAR+ and Learning Centre
- Online information and resources

The screenshot displays the SEDAR+ Help Centre website. At the top, the header includes the SEDAR+ logo, the text 'Help Centre', and navigation links for 'Help Topics', 'Contact Us', 'Go to SEDAR+', and a language toggle for 'Français'. Below the header is a large blue search bar with the placeholder text 'What can we help you with today?' and a 'Search' button. Underneath the search bar, the section 'BROWSE BY CATEGORY' features six icons and their corresponding help topics: 1. 'General Help' (info icon) with a description of SEDAR+ information and FAQs. 2. 'User and Organization Management' (network icon) with a description of setup and account management. 3. 'Profiles' (person icon) with a description of profile types and creation. 4. 'Filings' (document icon) with a description of how to complete and maintain filings. 5. 'Payments and Refunds' (dollar sign icon) with a description of payment and refund processes. 6. 'Cease Trade Orders and Disciplined List' (hand icon) with a description of searching the list and regulatory actions. The footer contains the SEDAR+ logo, links for 'About SEDAR+', 'Contact Us', 'Glossary', 'Browser Compatibility', 'Accessibility', 'Privacy Statement', and 'Terms of Use', social media icons for Twitter, YouTube, Facebook, and LinkedIn, and a copyright notice for Canadian Securities Administrators, 2022.

CHECKLIST

- List of steps to help filers prepare for Go-live
- Quick aid for filers to be reminded, action and check off key activities to validate level of readiness

SEDAR+ HIGH-VOLUME FILER CHECKLIST

Please use this checklist to ensure you have completed the requirements to access the early version of SEDAR+ for a smooth Pilot experience.

Start here

- ☐ Subscribe to the [SEDAR+ Connection e-newsletter](#)
- ☐ Visit the [About SEDAR+](#) section of the CSA website and read the [Frequently Asked Questions](#)

July 2022

- ☐ Attend the live virtual SEDAR+ Introduction training session
- ☐ On the Learning Centre, discover the Course Catalogue and complete recommended Learning on Demand courses along with related course surveys
- ☐ Explore the Help Centre and get to know the help categories and topics
- ☐ Attend welcome session for Pilot participants

- ☐ Receive SEDAR+ user account information via email
- ☐ Attend SEDAR+ set-up session
- ☐ Login to SEDAR+ to test user account and password
- ☐ Begin using SEDAR+ and practice filing
- ☐ Note observations and feedback of user experience
- ☐ Attend checkpoint meeting for Pilot participants

August 2022

- ☐ Continue use of SEDAR+
- ☐ Note observations and feedback of user experience
- ☐ Attend wrap-up meeting for Pilot participants

EXPERIENCE GUIDE

- Key differences of features between SEDAR legacy and SEDAR+

FILER EXPERIENCE GUIDE

SEDAR+ is designed to be easier to use, more intuitive, and more modern compared to SEDAR. This guide provides an overview of the differences filers will experience while working with the early version of SEDAR+ during the Pilot Program.

FEATURE	SEDAR	SEDAR+
System	Desktop-based software requiring VPN and regular manual updates	→ Web-based application securely accessed from a browser (with cookies and JavaScript enabled) and available 24/7; no manual updates required
Fees	Manual fee calculation, with no capability to calculate late fees	→ Automatic calculation of all regulatory filing fees, late fees and system fees
	Participation Fee Forms PDFs downloaded, completed and submitted by email	→ Participation Fee Forms completed and submitted online in SEDAR+
	Ability to submit a filing then request fee exemptions/exceptions	→ Fee exemptions/exceptions must be requested before submitting a filing for the related issuer
	Ability to submit a filing without paying fees, with no prompts	→ Payment required when filing is submitted, if an exemption/exception is not requested in advance of submission
	Regulators generate invoices manually for outstanding system and filing fees	→ No manual invoice, the Regulator creates the outstanding fee in the system. The filer can then select the outstanding fee for on-line payment (it is not automatic).
Payments	Fees paid by Electronic Data Interchange (EDI) system	→ Fees paid by Electronic Funds Transfer (EFT)
	Credit card payments not available	→ Visa and Mastercard accepted for immediate payment of Report of Exempt Distribution (RED) fees

USER ROLES

Workbook to identify and map users to their role/ security groups

				Each user in your filing organization must be assigned one (1) User Type and at least one (1) filing per There is no limit to the number of ASUs or AUs an ASU can create, however they must each have a u						
User Type	Role	Security Group	System functionality	User 1	User 2	User 3	User 4	User 5	User 6	User 7
Authorized Super User	Authorized Super User with a subset of authority	Authority over users within organization for ASU *If not an 'ASU with complete authority', must select 'Authority over users within organization' with any other combination	<ul style="list-style-type: none"> maintain organization account search for users create/maintain users (ASU and AU) reset passwords for other users 							
Authorized Super User	Authorized Super User with a subset of authority	Authority over creation and maintenance of party profile for ASU	<ul style="list-style-type: none"> view authority over a profile create/maintain all profile types 							
Authorized User		Authority over users within organization for AU	<ul style="list-style-type: none"> maintain organization account search for users 							
Authorized User		Authority over creation and maintenance of party profile for AU	<ul style="list-style-type: none"> view authority over a profile create/maintain all profile types 							

TRAINING WORKBOOK

- Workbook to map learners with courses relevant to their role
- Track staff members and courses completes

SEDAR+			Based on an individual's SEDAR+ user type and filing permissions, identify the training courses and event they should take.									
Courses & events	Type	Date	User 1	User 2	User 3	User 4	User 5	User 6	User 7	User 8	User 9	User 10
Introduction to SEDAR+ Basics for Filers	Learning on Demand											
System Searches and Downloads for Filers	Learning on Demand											
User Access Management Concet for Filers	Learning on Demand											
Create and Maintain Autorized User Account	Learning on Demand											
Maintain Your User Account	Learning on Demand											
Reset Password For Another User	Learning on Demand											
View and Maintain Your Organization Account	Learning on Demand											
Create and Maintain pre-Authorized Debit Account	Learning on Demand											
Learning Centre & Authority Management	Live virtual webinar	April 17										
User Management/Permissions	Live virtual webinar	April 27
