Subject: Proposed Amendments to Independence Standards to Address Breaches

Dear ITF Members,

The Canadian Securities Administrators (CSA) is an organization of Canada’s provincial and territorial securities regulators whose objective is to improve, coordinate and harmonize regulation of the Canadian capital markets. The CSA Chief Accountants Committee is comprised of the Chief Accountants from the provinces of Quebec, Ontario, Alberta and British Columbia. We are submitting this letter to you in response to the invitation from the Public Trust Committee – Independence Task Force (ITF) to comment on the Exposure Draft on Proposed Amendments to Independence Standards to Address Breaches.

This letter is being provided to express support for the ITF’s proposed changes to the Independence Standards to address a breach of the standard. We believe that the proposed provisions in addressing a breach of an independence standard, whether inadvertent or not, will support an auditor’s objectivity in auditing financial statements and promote investor confidence in the capital markets.

If you have any questions about this letter, please do not hesitate to contact us.

Yours truly,

The CSA Chief Accountants Committee
