Adjustment to AMF fees

On January 1, 2020, the Autorité des marchés financiers (“AMF”) will adjust by 1.72% certain fees payable, in particular under the Securities Act, CQLR, c. V-1.1.

Under section 83.3 of the Financial Administration Act, chapter A-6.001, these fees are adjusted by operation of law on 1 January of each year by a rate corresponding to the annual change in the overall average Québec consumer price index without alcoholic beverages and tobacco products for the 12-month period ending on 30 September of the year preceding the year for which the fee is to be adjusted. The rate corresponding to this annual change for the 12-month period ended September 30, 2019 is set at 1.72%.

For the new fee amounts, please consult section 1.1 of the Bulletin de l’Autorité des marchés financiers dated December 19, 2019 (vol. 16, N° 50), available on the AMF website at www.lautorite.qc.ca (in French only). As of January 1, 2020, you may also refer to Chapter II of Title VI of the Securities Regulation, CQLR, c. V-1.1, r. 50 for fees payable which is available on the AMF website, and to the SEDAR Regulatory Fee Guide, which is available on the website of the Canadian Securities Administrators.
